What We Do

Florida Girls Giving Back is a group of Broward County girls 8th to 12th grade, representing 18 schools, who joined together to make a difference. This is a girl-centric nonprofit organization that is "run" by the girls, providing them with an early opportunity to serve as leaders in the community and in the boardroom. The girls hold officer's roles on the junior board, run committee meetings, recruit new members (yearly), create annual fundraisers, and decide on community service projects to pursue throughout Broward County.

OUR MISSION

We take a girl-centric approach to positively impact underprivileged families and youth in Broward County.

OUR VISION

Our vision includes more than creating our own futures – it involves creating a future for those that need our help.

OUR IMPACT

Since 2016, Florida Girls Giving Back has provided more than \$126,000 of in-kind and monetary contributions to the local community, including to our nonprofit partners: Arc Broward, Bougainvillea House, Covenant House, Habitat for Humanity Broward, and Pace Center for Girls Broward.

OUR EVENT IMPACT

Since 2020, Florida Girls Giving Back has donated \$30,000 of the Air Show proceeds to the Covenant House + Pace Center for Girls Broward.

Why We Support Florida Girls Giving Back

“From its inception over 75 years ago, our company has proudly supported local charitable organizations that make a difference in the lives of children. I am the father of two incredible daughters and entirely impressed with Florida Girls Giving Back as they are made up of dynamic girls supporting other young women to make the world a better place,” **said Teddy Morse, Chairman and CEO of Ed Morse Automotive Group.** “We are proud to support this amazing charity and pleased to help showcase the overwhelming impact they are making in our community.”

“Divers Direct supports Florida Girls Giving Back because this organization creates the future leaders of our community! It is a great training ground for young women to learn all aspects of how a 501(c)(3) charity operates.”

-Shelley Senecal, Divers Direct

“We feel honored to support such stellar group of women. Our practice is passionate about empowering young girls to become future leaders in our community. This is such an amazing cause and we are so proud of these girls and all their efforts!”
